

## COMPANY OVERVIEW

EC Express Enterprise, LLC, a small business based in Columbus, MS since 2016, has established a strong reputation for expedited freight services. Utilizing a dedicated fleet of sprinter vans, the company specializes in handling Class 1 materials (explosives), TSA loads, and general freight, ensuring that every delivery is executed with unmatched safety and efficiency. With a steadfast commitment to secure and prompt transportation, EC Express Enterprise is poised to expand its capabilities and further enhance its service offerings, positioning itself as a trusted partner for future government and commercial contracts.

EC Express Enterprise, LLC delivers expedited transportation services for Class 1 materials (explosives) with an unwavering focus on safety and timely delivery. Utilizing a robust dual-lock security system—employing a master lock to prevent tampering and a receiver-cut lock to confirm delivery integrity—the company ensures every shipment remains secure throughout its journey. Maintaining constant communication with clients for real-time updates, EC Express Enterprise prioritizes successful, on-time, and safe deliveries, making it a trusted partner for government contracting projects that demand the highest standards of security and reliability.
